10) Clicking SAVE will enter the summary result and send the result through to the League site and update the League Tables.

11) Entering the Scorecard

If you are entering the scorecard separate to entering the result, please follow steps 1- 8 to get to the result summary screen. As you will have already entered the result, you can either click save at the bottom , or option2 in the menu (as shown in Step 14)

12) Step 1/2 – Selecting the teams

The next page that you get is the first stage in entering a scorecard.

On the next two pages, you select the two XI's that played in the match The players should be entered on the page in exactly the same batting order as on the scorecard. In doing this, only the 11 players will appear in the dropdown lists for bowlers and fielders. This will prevent the issue of having to select from 200 players in each field.

Please confirm the Blackpool CC - 1st XI team.
